

## 4494 LUPO

When developing the new LUPO 4494, care was taken to combine customer-oriented needs with one another.

First-class design, body-friendly comfort, sophisticated functions and a wide range of configuration options merge in the finished sofa to create a harmonious composition of the highest standards and quality craftsmanship.

Visually, the sofa impresses with its harmonious proportions, the sculpted divisions in the back and the elegant piped seams on the side sections show the attention to detail, which is complemented by well thought-out functions suitable for everyday use. The headrests can be adjusted manually or electrically to ensure optimum relaxation of the head and neck in the reclining position.
