Information

All dimensions are in cm, are approximate and we reserve the right to amend in the interest of improved quality.

Tetrad full grain leathers and the handwoven Harris Tweed fabrics may vary in colour and texture. Markings in the hide and slubs in the fabric are regarded as natural characteristics. Colours are also subject to the limitations of the print process. For peace of mind, we advise requesting a sample from us via the website or from your local stockist.

Feather fillings - we recommend that all cushions are plumped and turned on a regular basis in order to maintain loft and appearance. Due to the nature of the handcrafted build and finish of our products, slight variations in the finished article may occur.
