

# Harrison Spinks

The True Bedmakers

## PURE PERFORMANCE SEASONAL TURN COLLECTION

Each luxury Seasonal Turn mattress features Warm Side / Cool Side technology. With the Warm Side of the mattress featuring a wool blend close to the sleeping surface to keep you warm during the colder months.

While the Cool Side of the mattress features a cotton blend close to the sleeping surface, keeping you fresh and dry during the warmer months.

Layers of luxuriously natural and sustainable fillings work in harmony with our world leading innovative spring systems to provide excellent comfort and lumbar support and your best night's sleep.

### BERGAMOT

With layers of blended British wool and viscose and crisp cooling cotton. The Bluebell has 5750 innovative springs; including 100% recyclable advanced Cortec<sup>™</sup> Quad pocket springs and pressure relieving HD 2500 Micro springs. With an in-house woven FR chemical free mattress cover and two rows of side stitching, this Seasonal Turn mattress has a warming wool winter side and cooling cotton summer side. Choose from our three levels of support; gentle, medium or firm.
