

Harrison Spinks

The True Bedmakers

PURE PERFORMANCE SEASONAL TURN COLLECTION

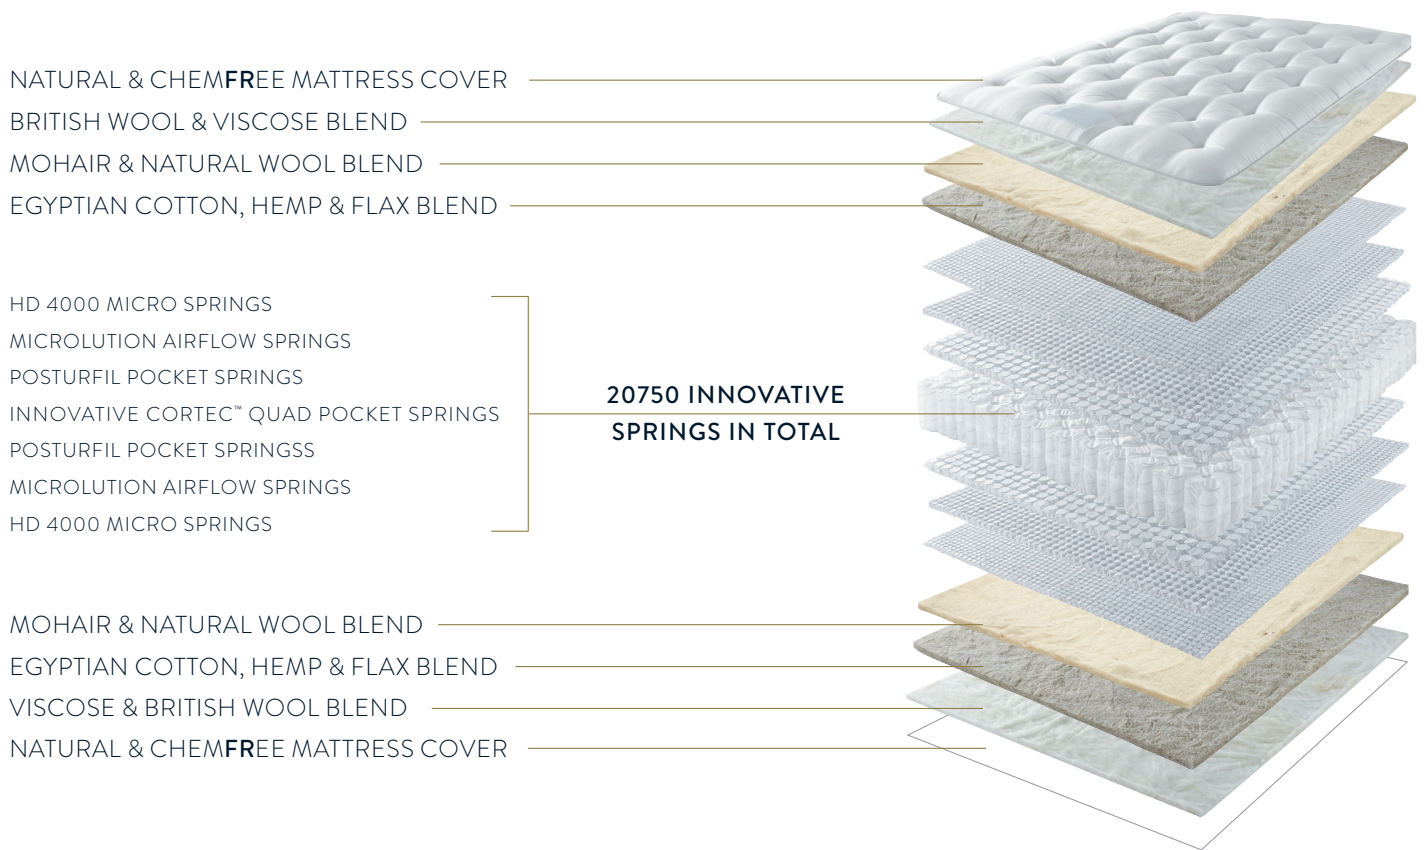

Each luxury Seasonal Turn mattress features Warm Side / Cool Side technology. With the Warm Side of the mattress featuring a wool blend close to the sleeping surface to keep you warm during the colder months. While the Cool Side of the mattress features a cotton blend close to the sleeping surface, keeping you fresh and dry during the warmer months. Layers of luxuriously natural and sustainable fillings work in harmony with our world leading innovative spring systems to provide excellent comfort and lumbar support and your best night's sleep.

LOTUS

Mattress: Lotus Headboard: Florence Floating Base: Slim True Edge Base Fabric: Rustika Pale Grey

With layers of blended British wool and viscose, sumptuous mohair, home-grown hemp and flax and crisp cooling Egyptian cotton. The Lotus has 20750 innovative springs; including 100% recyclable advanced Cortec™ Quad, pressure relieving HD 4000 Micro, contouring Microlution Airflow and Posturfil pocket springs. With an in-house woven FR chemical treatment free mattress cover and three rows of side stitching, this Seasonal Turn mattress has a warming wool winter side and cooling cotton summer side. Choose from our three levels of support; gentle, medium or firm.

Harrison Spinks is a fifth generation family bedmaker, handcrafting premium luxury mattresses since 1840 and is one of Great Britain's most established, innovative and sustainable bed manufacturers.

All our mattresses are 100% foam, glue and FR chemical treatment free and fully recyclable – better for a healthy sleep and kinder to the planet.

Here at Harrison Spinks we are changing the way the world sleeps.
