Classic Teak Collection

NATHAN HAS BEEN ESTABLISHED IN FURNITURE DESIGN SINCE 1916 WHEN BARNETT NATHAN BEGAN MAKING HAND CRAFTED PIECES FROM A WORKSHOP IN EAST LONDON. THIS FAMILY BUSINESS FLOURISHED IN THE 1950'S WITH A STYLE THAT STILL INFLUENCES OUR CONTEMPORARY MID-CENTURY DESIGNS TODAY.

Our teak is sustainably sourced from managed plantations and carefully selected for its quality and character which gives our veneers their special beauty and each piece its individuality.

Classic Teak is a range that has been collected by several generations and its design is as relevant today as it ever was.

PARQUET STYLE TOP

The carefully crafted parquet style tops use a dark stained oak veneer coupled with a whitening effect in the grain to accentuate the sense of texture.

SPECIALIST OPTIONS

The paintwork has been hand-brushed to give a tactile finish, with skilfully painted internals giving the product a two-tone effect detail to complement the exterior scheme – all to your choice from our range of carefully selected colour options.

ATTENTION TO DETAIL

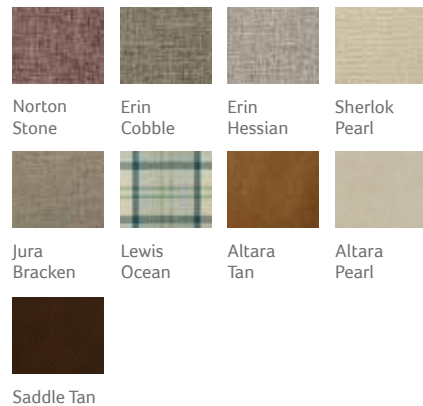

Details such as the beading effect around drawers, stop chamfering and feature dowels on table legs work together to complete the product with a sense of craftsmanship.

NATHAN¹⁹¹⁶

TIVERTON - A PAINTED COLLECTION WITH A DIFFERENCE, BEAUTIFUL DETAILS AND SKILFULLY FINISHED WITH HAND PAINTED EFFECTS.

The textured feel of the unusual parquet style tops makes this product really stand out. These

tops have been created with a hand applied white effect in the grain against a darker finish to help draw out the individual character of the wood.

All of the pieces have been painted with a hand-brushed effect and delicately

hand rubbed to create a stylish, distressed effect. The internals also feature a light paint finish to compliment the external paint colour.

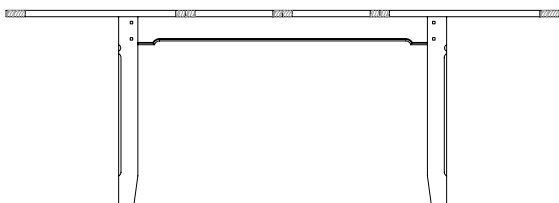

Tiverton is made to order in a range of colours to help you create your own unique style.
